VAULT APPLICATION

Volunteer Advisory Unit *for* Libraries *by* Teens

VAULT is looking for a group of dedicated high school students (9th-12th grade for the 2016-2017 school year) to advise Smithsonian Libraries on how to better engage with a teen audience. Members will design and implement teen programming and build Smithsonian Libraries' national outreach to a younger and more varied audience.

During this process you will see what is behind the vault door in our library collections across the museums.

SHORT ANSWERS

Why are you interested in joining VAULT, and what can you offer?

Are you able to commit to every Wednesday from 4-6pm, for 12 sessions? Any reason you may not make it?

If you could have dinner with one historical figure, who would it be and why?

If you could have dinner with one literary character, who would it be and why?

For your work we will offer community service hours, if needed. Please check if you are interested.
